

Paula Bitrián Arcas

CONTACT

Paula Bitrián Arcas is a pre-doctoral researcher in the Department of Marketing Management and Market Research of the University of Zaragoza.

Her main lines of research focus on the subject of gamification and its application in different contexts. Her works have been published in scientific journals such as The International Journal of Management Education and the European Journal of Management and Business Economics and have been presented in important discussion forums such as AEMARK or Marketing Trends.

Currently, she is in the research period leading to the preparation of the Doctoral Thesis and the obtaining of the PhD Degree.
