

Lorena Blasco Arcas

CONTACT

Doctor from the University of Zaragoza and is currently Associate Professor at ESCP Business School.

After working in the cultural sector as an artistic director of programming, she began her academic career as an assistant professor at the Faculty of Business and Public Management in Huesca. Lorena has extensive teaching experience in marketing in both undergraduate and graduate degrees and executive training at an international level, having collaborated with institutions in America, Europe and Asia.

Her research interests focus on consumer behavior in digital environments, focusing on digital co-creation processes, social influence and customer engagement, and the impact of new technologies on business relationships.
